Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to business mentioned under Item No. 3 and 4 of the accompanying Notice:

Re: Item 3

M/s. D. Basu & Co., Chartered Accountants (Firm Regn. No.301111E) have tendered their resignation from the position of Statutory Auditors due to some other professional pre-occupation, resulting into a casual vacancy in the office of Statutory Auditors of the company as envisaged by section 139(8) of the Companies Act, 2013 ("Act"). Casual vacancy caused by the resignation of auditors can only be filled up by the Company in general meeting. Board proposes that M/s. S. Samanta & Co., Chartered Accountants (Firm Regn. No. 305020E) be appointed as the Statutory Auditors of the Company to fill the casual vacancy caused by the resignation of M/s. D. Basu & Co., Chartered Accountants.

M/s. S. Samanta & Co., Chartered Accountants, have conveyed their consent/eligibility to be appointed as the Statutory Auditors of the Company along with a confirmation that, their appointment, if made by the members, would be within the limits prescribed under the Companies Act, 2013.

Accordingly, this Ordinary Resolution is submitted to the meeting for the consideration and approval of members.

None of the Directors, Key Managerial Persons or their relatives, in any way, concerned or interested in the said resolution.

Re: Item 4

Pursuant to the provisions of Section 188 of the Companies Act, 2013 ("the Act"), read with the Companies (Meetings of Board and its Powers) Rules, 2014 ("Rules"), the Company is required to obtain consent of the Board of Directors and prior approval of the Members by way of Ordinary Resolution, in case certain transactions with Related Parties exceeds such sum as is specified in the said Rules. The aforesaid provisions are not applicable in respect of transactions which are in the ordinary course of business and on arm's length basis.

However, pursuant to Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations'), approval of the Members through Ordinary Resolution is required for all Material Related Party Transactions, even if they are entered into in the ordinary course of business and on arm's length basis. For this purpose, a transaction is considered material, if the transaction/transactions to be entered into individually or taken together with previous transactions during a Financial Year exceed 10% of the annual consolidated turnover of the Company, as per the last audited financial statements of the Company.

The Company proposes to enter into contracts/ arrangements with related parties as mentioned below, which are in the ordinary course of business. Further, the estimated value of the proposed transaction is likely to exceed 10% of the annual consolidated turnover of the Company for the Financial Year ended on March 31, 2025 and therefore may exceed the Materiality threshold as prescribed under Regulation 23 of the Listing Regulations. Thus, these transactions would require the approval of the Members by way of an Ordinary Resolution.

Approval of the Members is sought to enable the Board to approve all existing contract(s)/arrangement(s)/ agreement(s)/transaction(s) and to enter into new/ further contract(s)/arrangement(s)/ agreement(s)/transaction(s) (including any modifications, alterations, amendments or renewal thereto)with the said parties subject to the limits mentioned in the table below:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of the Company is pleased to present Management Discussion and Analysis Report (to the extent applicable to the company) covering overall performance and outlook of its activities.

The Company is a registered non deposit taking NBFC, registered with the RBI since 28th January, 2003. Since then, Company has been operating successfully under overall superintendence, directions and regulation of the regulatory authority.

INDUSTRY STRUCTURE & DEVELOPMENT

Non-banking finance companies (NBFCs) have scripted a great success story. Their contribution to the economy has grown in leaps and bounds. With the ongoing stress in the public sector banks due to mounting bad debt, their appetite to lend (especially in rural areas) is only going to deteriorate, thereby providing NBFCs with the opportunity to increase their presence. The success of NBFCs can be clearly attributed to their better product lines, lower cost, wider and effective reach, strong risk management capabilities to check and control bad debts, and better understanding of their customer segments.

Going forward, the latent credit demand of an emerging India will allow NBFCs to fill the gap, especially where traditional banks have been wary to serve. Additionally, improving macroeconomic conditions, higher credit penetration, increased consumption and disruptive digital trends will allow NBFCs credit to grow at a healthy rate over the next five years. Clearly, NBFCs are here to stay.

NBFC REGULATIONS

Over the past several decades, NBFCs have emerged as important financial intermediaries, particularly for the small-scale and retail sectors, in underserved areas and unbanked sectors. NBFCs have turned out to be growth engines in an arena where increased importance is assigned to financial inclusion. The growing importance of the NBFC segment in the Indian financial system has led to a changing landscape of the NBFC framework. The evolution of the regulatory framework for NBFCs in India has gone through a cyclical phase-from simplified regulations to stringent and extensive regulations and finally towards rationalization as part of the recently revised NBFC regulatory framework.

OPPORTUNITIES & THREATS

The Company constantly examines the opportunities and threats that exist in the business and accordingly plans to exploit the opportunity available for going forward as well as equipped to handle threats.

SEGMENT-WISE PERFORMANCE

Independent Auditor's Report

To the Members of Goneril Investment & Trading Company Limited.

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of M/s. Goneril Investment & Trading Company Limited, ("the Company"), which comprises the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the afore said financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind-AS') specified under Section 133 of the Act, of the state of affairs of the Company as at 31st March, 2025, and its Profit and changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

D BASU & CO.

Chartered Accountants

FD - 148, SALT LAKE,

KOLKATA - 700106.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Goneril Investment & Trading Company Limited. ("the Company") as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements for the year ended 31 March 2024 were approved by the Board of Directors and authorised for issue on 29th May, 2025

2 Material Accounting Policies

The Material Accounting Policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements unless otherwise indicated.

2.1 Basis of preparation**i) Compliance with Ind AS**

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016] and other relevant provisions of the Act.

The Company had been preparing its financial statements upto the year 31 March 2019, as per Companies (Accounting Standard) Rules, 2006 and other relevant provisions of the Act (hereinafter referred to as Previous GAAP/Indian GAAP).

These financial statements are the first financial statements of the Company under Ind AS. for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

ii) Classification of current and non - current

All assets and liabilities have been classified as current or non -current as per the Company's normal operating cycle and other criteria set out in the Ind AS1- Presentation of Financial Statements and Schedule III to the Companies Act, 2013. Based on the nature of product / service and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non - current classification of assets and liabilities.

iii) Classification of current and non - current

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention except for the following :

2.2 Use of estimates and critical accounting judgements

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of those which are more likely to be materially adjusted due to estimates and assumption turning out to be different than those originally assessed

i) Estimated fair value of unlisted securities

ii) Recognition of deferred tax assets for carried forward tax losses

2.3 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

i) Financial Assets

The financial assets are classified in the following categories:

- a) Financial assets measured at amortised cost,
- b) financial assets measured at fair value through profit and loss (FVTPL), and
- c) financial assets measured at fair value through other comprehensive income (FVOCI).

The classification of financial assets depends on the Company's business model for managing financial assets and the contractual terms of cash flow.

Financial assets measured at amortised cost

Assets that are held for collection of contractual cash flows where those flows represent solely payments of principal and interest are measured at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. The losses arising from impairment are recognised in the Statement of Profit & Loss.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method less provision for impairment, if any.

Financial instruments measured at FVTPL

Financial instruments included within FVTPL category are measured initially as well as at each reporting period at fair value plus transaction costs as applicable. Fair value movements are recorded in Statement of Profit & Loss.

Financial assets at FVOCI

Financial assets are measured at FVOCI if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Equity instruments

The company measures all equity investments at fair value. The Company's management has elected to present fair value gain and losses on equity instruments in other comprehensive income, and accordingly there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payment is established.

De-recognition of financial assets

The company de-recognises a financial asset when the contractual rights to the cash flows for the financial assets expires or it transfer the financial assets and such transfer qualifies for de-recognition under Ind AS 109- Financial instruments.

All investments other than those disclosed otherwise are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and is written down immediately to its recoverable amount. On disposal of such investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

Impairment of financial assets

The Company assess on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Only for Trade receivables , the implied approach of life time expected credit losses is recognised from initial recognition of the receivables as required by Ind AS 109- financial instruments.

Impairment loss allowance recognised / reversed during the year is charged / written back to Statement of Profit & Loss.

ii) Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Borrowings are initially recognised at fair value , net of transaction costs incurred . Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest method.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payment on demand on the reporting date , the entity does not classify the liability as current , if the lender agreed, after the reporting period and before the approval of the financial statement for issue , not to demand payment as a consequence of the breach.

For Trade and other payables maturing within one year from the balance sheet date , the carrying amount approximates fair value to short- term maturity of these instruments.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

2.4 Employee benefits

(a) Short-term obligations

Liabilities for wages, salaries and other benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(b) Post employment obligations

Defined contribution plans

The Company makes contributions to government administered provident fund scheme, employee state insurance scheme and pension fund scheme for the employees. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

Compensated absences

Accumulated compensated absences and gratuity liability, which are expected to be availed or encashed or contributed within the 12 months from the end of the year are treated as short term employee benefits and the balances expected to be availed or encashed or contributed beyond 12 months from the year end are treated as long term liability and are accounted on undiscounted basis.

Other short term employee benefits

Short term employee benefits are recognised as an expenses as per the Company's schemes based on the expected obligation on an undiscounted basis.

2.5 Provisions

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

2.6 Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.7 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

The Company basis its estimate on historical results taking into consideration the type of customers, the type of transactions and the specifics of each arrangements

2.8 Income recognition

a) Interest income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

b) Service Income

Income from service is recognised when the service has been rendered as per terms of the contract.

c) Dividend Income

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

2.9 Segment reporting

Since, the Company doesnot have any reporting segement in its business line and Company is engaged in single segement of Operation hence no Segment reporting is applicable to it.

2.10 Earnings per share

Earnings per share is calculated by dividing the net profit or loss for the year attributable to equity share holders, by the weighted average numbers of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.11 Cash and Cash Equivalents

In the Cash Flow statement, Cash and cash equivalents include cash in hand and balance with bank in current account.

2.12 Offsetting Financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability subsequently. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in event of default, insolvency or bankruptcy of the company or the counter party.

2.13 Contingent Liabilities

Liabilities which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts.

2.14 Standard Issued/ amended:

Ministry of Corporate Affairs ("MCA"), vide notification dated 31st March 2021, has made the following amendments to the existing standards which are effective from 1st April 2021:

- (a) Ind AS 1 Presentation of Financial Statements: The amendments require companies to disclose their material accounting policies rather than their Material Accounting Policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general
- (b) Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors: The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves
- (c) Ind AS 12 Income Taxes: The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.
- (d) Other Ind AS Amendments: There are also consequential or editorial amendments in Ind AS 101, 102, 103, 107, 109, 115.

Based on preliminary assessment, the Company does not expect significant impact of these changes on its standalone financial statements.

Notes to Financial Statements (Contd.)

Management estimations and assumptions

- a) The management assessed that cash and cash equivalents and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b) The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the
- (i) The fair values of the quoted shares are based on price quotations at the reporting date.
- (ii) The fair values of the unquoted equity shares have been determined based on certifications from valuers who have used Net Asset Value approach for determining the fair values.

13.2 Fair value hierarchy

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis :

(₹ in Lacs)

Independent Auditor's Report

**To the Members of Goneril Investment & Trading Company Limited.
Report on the Consolidated Financial Statements**

Opinion

We have audited the accompanying consolidated financial statements of M/s. Goneril Investment & Trading Company Limited. (hereinafter referred to as the 'Holding Company') and its subsidiaries and associates (Holding Company, its subsidiaries and associates together referred to as "the Group"), which comprises the consolidated Balance Sheet as at 31st March, 2025, the consolidated statement of Profit and Loss (including other comprehensive income), consolidated statement of changes in equity and statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind-AS') specified under Section 133 of the Act, of the state of affairs of the Company as at 31st March, 2025, and its consolidated Profit (including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Consolidated Financial Statements

FD - 148, SALT LAKE,

KOLKATA - 700106.

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associate are responsible for assessing the ability of the Group and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associate are responsible for overseeing the financial reporting process of the Group and its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

D BASU & CO.

FD - 148, SALT LAKE,

Chartered Accountants

KOLKATA - 700106.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The financial statements of subsidiaries and associates considered in this consolidated financial statement have been audited by other auditors, whose reports have been furnished by the management to us, and our opinion is based solely on the reports of the other auditors.

However, our opinion is not qualified in respect of this matter.

Annexure - B to the Auditors' Report

FD - 148, SALT LAKE,

KOLKATA - 700106.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Goneril Investment & Trading Company Limited. ("the Holding Company"), and its subsidiaries and associates (Holding Company and its subsidiaries and associates together referred to as "the Group") as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Group's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

FD – 148, SALT LAKE,

KOLKATA – 700106.

The Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorisations of management and directors of the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements for the year ended 31 March 2025 were approved by the Board of Directors and authorised for issue on 29th May, 2025

2 Material Accounting Policies

The Material Accounting Policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements unless otherwise indicated.

2.1 Basis of preparation

i) Compliance with Ind AS

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016] and other relevant provisions of the Act.

The Company had been preparing its financial statements upto the year 31 March 2019, as per Companies (Accounting Standard) Rules, 2006 and other relevant provisions of the Act (hereinafter referred to as Previous GAAP/Indian GAAP).

These financial statements are the first financial statements of the Company under Ind AS. for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

ii) Classification of current and non - current

All assets and liabilities have been classified as current or non -current as per the Company's normal operating cycle and other criteria set out in the Ind AS1- Presentation of Financial Statements and Schedule III to the Companies Act, 2013. Based on the nature of product / service and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non - current classification of assets and liabilities.

iii) Classification of current and non - current

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention except for the following :

2.2 Use of estimates and critical accounting judgements

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumption turning out to be different than those originally assessed

i) Estimated fair value of unlisted securities

ii) Recognition of deferred tax assets for carried forward tax losses

2.3 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

i) Financial Assets

The financial assets are classified in the following categories:

- a) Financial assets measured at amortised cost,
- b) financial assets measured at fair value through profit and loss (FVTPL), and
- c) financial assets measured at fair value through other comprehensive income (FVOCI).

The classification of financial assets depends on the Company's business model for managing financial assets and the contractual terms of cash flow.

Financial assets measured at amortised cost

Assets that are held for collection of contractual cash flows where those flows represent solely payments of principal and interest are measured at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. The losses arising from impairment are recognised in the Statement of Profit & Loss.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method less provision for impairment, if any.

Financial instruments measured at FVTPL

Financial instruments included within FVTPL category are measured initially as well as at each reporting period at fair value plus transaction costs as applicable. Fair value movements are recorded in Statement of

Financial assets at FVOCI

Financial assets are measured at FVOCI if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Equity instruments

The company measures all equity investments at fair value. The Company's management has elected to present fair value gain and losses on equity instruments in other comprehensive income, and accordingly there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payment is established.

De-recognition of financial assets

The company de-recognises a financial asset when the contractual rights to the cash flows for the financial assets expires or it transfer the financial assets and such transfer qualifies for de-recognition under Ind AS 109- Financial instruments.

All investments other than those disclosed otherwise are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and is written down immediately to its recoverable amount. On disposal of such investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

Impairment of financial assets

The Company assess on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Only for Trade receivables, the implied approach of life time expected credit losses is recognised from initial recognition of the receivables as required by Ind AS 109- financial instruments.

Impairment loss allowance recognised / reversed during the year is charged / written back to Statement of Profit & Loss.

ii) Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest method.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payment on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statement for issue, not to demand payment as a consequence of the breach.

For Trade and other payables maturing within one year from the balance sheet date, the carrying amount approximates fair value to short- term maturity of these instruments.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

2.4 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

a) Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

ii) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments).

2.4 Employee benefits

(a) Short-term obligations

Liabilities for wages, salaries and other benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(b) Post employment obligations

Defined contribution plans

The Company makes contributions to government administered provident fund scheme, employee state insurance scheme and pension fund scheme for the employees. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

Compensated absences

Accumulated compensated absences and gratuity liability, which are expected to be availed or encashed or contributed within the 12 months from the end of the year are treated as short term employee benefits and the balances expected to be availed or encashed or contributed beyond 12 months from the year end are treated as long term liability and are accounted on undiscounted basis.

Other short term employee benefits

Short term employee benefits are recognised as an expenses as per the Company's schemes based on the expected obligation on an undiscounted basis.

2.5 Provisions

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

2.6 Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.7 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

The Company basis its estimate on historical results taking into consideration the type of customers, the type of transactions and the specifics of each arrangements

2.8 Income recognition

a) Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

b) Service Income

Income from service is recognised when the service has been rendered as per terms of the contract.

c) Dividend Income

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

d) Sale of goods

Revenue from sale of carbon products is recognised at the point in time when control of the asset is transferred to the customer, i.e. on delivery of such products to customer.

2.9 Segment reporting

Since, the Company doesnot have any reporting segment in its business line and Company is engaged in single segment of Operation hence no Segment reporting is applicable to it.

2.10 Earnings per share

Earnings per share is calculated by dividing the net profit or loss for the year attributable to equity share holders, by the weighted average numbers of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.11 Cash and Cash Equivalents

In the Cash Flow statement , Cash and cash equivalents include cash in hand and balance with bank in current account.

2.12 Offsetting Financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and the there is an intention to settle on a net basis or realise the asset and settle the liability subsequently. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in event of default , insolvency or bankruptcy of the company or the counter party.

2.13 Contingent Liabilities

Liabilities which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts.

2.14 Standard Issued/ amended:

Ministry of Corporate Affairs ("MCA"), vide notification dated 31st March 2021, has made the following amendments to the existing standards which are effective from 1st April 2023:

- (a) Ind AS 1 Presentation of Financial Statements: The amendments require companies to disclose their material accounting policies rather than their Material Accounting Policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users
- (b) Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors: The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements
- (c) Ind AS 12 Income Taxes: The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.
- (d) Other Ind AS Amendments: There are also consequential or editorial amendments in Ind AS 101, 102, 103, 107, 109, 115.

Based on preliminary assessment, the Company does not expect significant impact of these changes on standalone financial statements.

Notes to Financial Statements (Contd.)

Management estimations and assumptions

- a) The management assessed that cash and cash equivalents and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b) The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:
- (i) The fair values of the quoted shares are based on price quotations at the reporting date.
- (ii) The fair values of the unquoted equity shares have been determined based on certifications from valuers who have used Net Asset Value approach for determining the fair values.

13.2 Fair value hierarchy

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis :

(in Lacs)

Particulars	Note Reference	Fair value measurement at end of the reporting period/year using			
		Level 1	Level 2	Level 3	Total
As on 31st March, 2025					
Financial Assets					
Equity & Other Instruments	3.4	3,237.65	6,557.80	2,884.31	12,679.77
As on 31st March, 2024					
Financial Assets					
Equity & Other Instruments	3.4	2,562.69	4,783.93	3,196.70	10,543.32

Level 1: Quoted Prices in active markets for identical assets or liabilities

Level 2 : Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The company's policy is to recognize transfers into and the transfers out of fair value hierarchy levels as at the end of the reporting period. There are no transfers between level 1 and level 2 during the end of the reported periods.

13.3 Financial Risk Management

The Company's activities expose it to various financial risks: market risk, credit risk and liquidity risk. The company tries to foresee the unpredictable nature of financial markets and seek to minimise potential adverse impact on its financial performance. The senior management of the company oversees the management of these risks. The Audit Committee has additional oversight in the area of financial risks and controls. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.
